What is Required to be a SmrtGuard Reseller?

Being a reseller is simple.

- You have a passion to promote and sell SmrtGuard software to your customers. We can provide product flyers and sales collateral.
- Billing can be done by you or by us.
 - If we bill at the end of the billing cycle, we will issue a check or electronic payment. We will also host a co-branded purchasing page if you would like us to.
 - If you would like to bill, we will provide an activation page.

What are the Benefits?

If you are in the mobile device market, you surely know how crucial device security and data protection is in today's world. SmrtGuard is the perfect add-on to your product portfolio and services. **We offer great incentives where as you sell more, your commission will increase!**
